BMV Announces Temporary Closures and Progress in Filling Vacancies

INDIANAPOLIS—Indiana Bureau of Motor Vehicles (BMV) Commissioner Peter L. Lacy announced today the BMV will temporarily close eight branches for the month of October due to a continued staffing shortage. Branches in Plymouth, West Lafayette, Indianapolis – North Meridian and Midtown, Tipton, Brazil, Danville, and New Albany will be temporarily closed from Monday, October 4 through Saturday, October 30. The Sullivan branch will adjust its hours to operate two business days each week: Tuesday and Thursday. Employees of temporarily closed branches will be reassigned to support nearby locations for the month.

October is the second month the BMV has temporarily closed branches due to an employee shortage. Over the past 30 days, the BMV has received an increased number of Hoosiers applying for positions. Branch teams are in the process of hiring and onboarding multiple applicants to fulfill customer service vacancies in locations throughout the state.

“We received an influx of applications after the September closures. Our team has partnered with the State Personnel Department and together they are working diligently to fill open positions as quickly as possible. This has enabled us to reduce the number of branches temporarily closed this month. We ask for patience from Hoosier communities and applicants as we work through that process,” said Lacy.

For a complete list of branch locations and hours, to complete an online transaction, or to find a 24-hour BMV Connect kiosk near you visit [IN.gov/BMV](https://www.in.gov/BMV).
